

How to Use Your *First Groom Certificate*

A SIMPLE KEEPSAKE FOR CAT GROOMING CLIENTS

1

Print on Premium Paper

Use premium matte presentation paper or bright white cardstock for a polished, professional keepsake your clients will appreciate.

2

Take the Paw Print Before the Bath

Capture your cat's paw print before the bath. Clean, dry paws create a sharper, easier-to-stamp result.

3

Frame It for an Easy Upsell

Inexpensive frames from the dollar store turn the certificate into a keepsake your clients will love to display.

4

Add the Finishing Touches

- Write the cat's name, date, and groomer's name.
- Add a short handwritten note.
- Display a sample at the front desk.

Recommended Supplies

- Premium matte paper or cardstock
- Pet-safe ink pad
- Simple 8x10 frames

*A little extra touch can make
a first groom feel even more memorable.*

My First Groom

A special keepsake for a beautifully groomed cat.
